Marcos Bernasconi

Nationality: Italian • Date of Birth: 28/11/2002
Email: xb3rna@gmail.com • Telephone: +49 1573 4903075
Address: Berlin 10587, Röntgenstraße 11
Github: https://github.com/Marcos-Bernasconi/
Portfolio Website with projects: https://marcos-bernasconi.github.io/

As a skilled Developer, I am proficient in designing and developing high-quality web applications and websites that are responsive and performant. I have extensive knowledge of HTML, CSS, and JavaScript, and I am well-versed in using various libraries and frameworks (React.js, Next.js) to achieve optimal results. I always take the opportunity to learn and apply the best practices.

Professional Experience

Web Developer and Assistant	2020-2022
Outdoor Experience VDA	*Italy, Morgex*

➢ Designed and developed the website and the database schema, simplifying the management of membership and events.

➢ Provided recommended configurations, protocols and devices to be implemented for the network architecture of the company.

➢ Contributed to many aspects of the company, including communication with customers, flyer design and assistance during sporting events.
